:

<http://www.industriassanz.es/producto/containers-for-advertising-and-decorative-products/>

Containers aimed at promotions, advertising products, corporate gifts and much more. All our standard and some of our specific formats not aimed at the industrial sector, such as flask style containers, coasters, tin tubs, pencil holders ...

We adapt to your idea to create the product you imagined for promoting your company.

### **CONTAINER DETAILS**

Aimed at any kind of promotion. We can provide you with whatever your imagination comes up with: any shape, lid and finish. For more detailed information, get in touch with us and tell us about your idea.

## MAIN CHARACTERISTICS – Common to all formats:

- The containers can be supplied lithographed externally.
- The containers can also be internally varnished: gold, epoxy coatings; varnishes suitable for storing sweets, with special finishes.
- Wide range of formats and finishes.
